8... KP Chesapeake - USMMA Admissions Recruiting Program 2010

KP Chesapeake completed a most successful USMMA Admissions & Recruiting Program for 2009. Several of our Chapter Admissions Representatives also recently participated in Academy Nomination Review Committees for various U.S. Congressmen and Senators during the Thanksgiving and Christmas Holidays. We thank Walter D. Holtgren '76 – Chairman, KP Chesapeake Admissions Recruiting Committee, for once again providing leadership and great effort in this most important Mission Support activity for Kings Point! Our Chapter can take great pride in the fact that we are key players in the successful appointment annually of 14 Midshipmen to Kings Point from Maryland!

Commander Michael E. De Rosa, USMS, Assistant Director of Admissions & Financial Aid, United States Merchant Marine Academy wrote on 010810: "As always, thanks to you and your great Reps and alums for all the support in covering recruiting programs in MD. FYI, we have 94 applicants from MD this year – and we still have until 1 March to get additional applications. Last year, (Class of 2013) we had 76 from MD. That's an AMAZING increase (and it's not even over yet) ... and we owe it to the great job you are all doing there. THANKS!!!"

The *Admissions & Recruiting Committee* assists the Academy Director of Admissions in representing Kings Point at college and recruiting functions presenting appointments to candidates at high school assemblies. Members of this committee must be certified Academy Information Representatives.

KP Chesapeake completed nearly 50 College Night Presentations, Academy Appointment letter presentations at High School Assemblies, Nomination Review Board Meetings and Congressional Admissions Presentations around the state in 2009! We are already "manning" the events in 2010.

9... KP Chesapeake – USMMA Midshipman Internship Program 2010

We thank Scott E. Winfield '91 – KP Chesapeake, Midshipman Internship Development Chairman, and Tom Lamm '79 – Manager, Fleet Development, Vane Brothers Company, for another successful year of service to our Midshipmen Support in 2009. Our Chapter provides an incredible number of Midshipman Internship opportunities throughout the year. We are quite fortunate to have a very large number of KP Alumni and associates in our Port of Baltimore, and throughout the state of Maryland, who are most willing to generously provide these opportunities.

Our *Midshipmen Internship Development Committee* assists Academy midshipmen in obtaining local two to six week management internships in their Second Class year. The committee coordinates with the USMMA Department of Shipboard Training & Continuing Education, and serve as Chapter liaison with one of the Academy's three Academy Training Representative's (ATR).

Are you interested in supporting this important training effort? We are eager to add your company to those wonderful organizations currently participating. Please contact: Gary G.
